## **Construct Picnic Shelter at Freedom Park**

### **Amendment 2 to RFP dated April 19, 2018**

1. Perimeter girders may extend onto exterior restroom walls. Provide additional framing as needed.
2. For installation of the plywood ceiling in the restrooms, enclosed the wall and partition openings caused by the bottom of trusses being approximately 1' higher than existing. Use 2x4 framing and 1/2" plywood sheathing.
3. Use #57 stone for stone aprons.
